Thunder pole T-3000 CB radio with a front speaker **£99.95**

DESCRIPTION

The Thunder pole T-3000 CB radio is a unique CB radio with a front speaker design that can be mounted almost anywhere. If you want a versatile CB radio that performs extremely well and also has user friendly features such as a large 7 color dimming display, back lite buttons, auto-squelch, scan function and 8 frequency bands that are available at the touch of a button, then the T-3000 is for you.

The T-3000 comes pre-set to the UK channels and is DIN sized for easy dash mounting. It has advanced features such as VOX facility, 2 pin hands-free capability, AM/FM switching, 12v / 24v auto-switching and key-lock.
